Welcome to the Spirit of Man Bar & Restaurant.

All of our meals are made to order and served promptly as soon as they are ready.

Every 30 minutes in the Restaurant you will get to experience one of the nine iconic tracks from Jeff Wayne's Musical Version of The War of The Worlds double album. It will come to life with light and sound shows in the restaurant.

*No one would have believed  
In the last years of the nineteenth century  
That human affairs were being watched from the timeless worlds of space  
No one could have dreamed that we were being scrutinized  
As someone with a microscope studies creatures that  
Swarm and multiply in a drop of water  
Few men even considered the possibility of life on other planets  
And yet, across the gulf of space  
Minds immeasurably superior to ours  
Regarded this Earth with envious eyes  
And slowly and surely, they drew their plans against us*
